Medical disclaimer

The Service is designed for informative purposes only. You should not rely on this information as a substitute for, nor does it replace, professional medical advice, diagnosis, or treatment. If you have any concerns or questions about your health, you should always consult with a physician or other health-care professional.

Do not disregard, avoid or delay obtaining medical or health related advice from your health-care professional because of information on the Service. The use of any information provided on the Service is solely at your own risk.

The Service strongly recommends that you consult with your physician before beginning any exercise program. You should be in good physical condition and be able to participate in the exercise. The Service is not a licensed medical care provider and represents that it has no expertise in diagnosing, examining, or treating medical conditions of any kind, or in determining the effect of any specific exercise on a medical condition.

You should understand that when participating in any exercise or exercise program, there is the possibility of physical injury. If you engage in this exercise or exercise program, you agree that you do so at your own risk, are voluntarily participating in these activities, assume all risk of injury to yourself, and agree to release and discharge The Service from any and all claims or causes of action, known or unknown, arising out of The Service.

Never disregard professional medical advice, or delay in seeking it, because of something you have read within The Service. Never rely on information within The Service in place of seeking professional medical advice.

Personal disclaimer

I am not a doctor or medical professional. The information I provide is based on my personal experience. I am not a medical health practitioner or mental health provider and I am not holding myself out to be in any capacity. Rather, I serve as a coach / guide who helps you reach your own running goals.

The information contained within The Service is for informational purposes only, and is made available to you as self-help tools for your own use. While I draw on my prior expertise and background in many areas, you acknowledge that I am supporting you and your decisions should not be made solely on any information provided by The Service.

I aim to accurately represent the information provided within The Service. You are acknowledging that you are participating voluntarily in The Service, and you alone are solely and personally responsible for your results. You acknowledge that you take full responsibility for your health, life and well-being, as well as the health, lives and well-being of your family and children (born and unborn, as applicable), and all decisions now or in the future.

In the event that you use the information provided through The Service, I assume no responsibility.

Every effort is made to ensure the accuracy of published information on or through The Service; however, the information may inadvertently contain inaccuracies or typographical errors. Every effort has been made to present you with the most accurate, up-to-date information, but because the nature of health and fitness research is constantly evolving, we cannot be held responsible for the accuracy of our content.
